AFRICA WRITING CHALLENGE

Pick an animal that you are fascinated with and research it. Then put yourself in the animal's feet for a day. Write several paragraphs about a day or night (if the animal is nocturnal) in the life of this animal. Write from the animal's perspective. For example: If you researched the lion, you could write . . . I woke up in the savanna, still wet with the dew of the morning, and looked around for the rest of the pride. . . . Imagine what things in the animal's environment might smell like . . . look like . . . sound like . . . feel like. Be creative!
